HAVE YOU BOOKED YOUR CHRISTMAS OR HOLIDAY PARTY?

*Christmas is quickly sneaking upon us and it's time to show your staff how much you appreciate them! Our calendar is quickly filling up for the month of December and the staff here at the **New Grand Hotel** would love to host your holiday celebration. We offer a wide variety of catering styles from extravagant to casual and would love to work with you to create the perfect party!*

*Here at the **New Grand Hotel** we have many amenities to offer you. We offer a **large banquet hall** for your larger functions as well as a **smaller meeting room** for those more intimate dinners and meetings. Our restaurant, **Louies steakhouse and Lounge**, is the perfect location for finer dinner parties or for evening cocktails and appys. Our newly renovated sportsbar, **Uptown Tavern**, is a great place to hit after a evening of fantastic food and drinks! If finding a evening celebration is hard to arrange might we suggest you hold a more casual Christmas celebration for your staff and make it a luncheon.*

Our licensed bartending services are free with the use of our cash bar in our banquet facilities. There is no banquet rental fee for groups of 25 or more using our catering services.

*We invite you to give Corey or Danny a call here at the **New Grand Hotel** at 250-352-7211 or drop by to speak with us personally and view our facilities. We look forward to helping you make your event a fantastic success. Have a very Merry Christmas and a Happy New Year!*
